

How do I view previous payments and their statuses?

Payment Summary

The lower half of the page shows a summary of payment related data for the account. The following modules will be displayed:

- **Scheduled Payments:** These have yet to be processed and can be Edited or Cancelled
- **Processed Payments:** These have been processed, such that they cannot be Edited or Cancelled, but maybe able to be Refunded.
- **Refunded Payments:** These are Refunds of Processed Payments

The Confirmation Number is a hyperlink and accessing it will access the Payment Detail page.
